Kink^{Club} collection

Bukkake

There are more and more themed and itinerant KINKY PARTIES organized by sex clubs and individuals in private places. We offer a solution of portable cabins easy to assemble and transport that allow the organizers of these events to transform a tasteless, neutral and conventional place into a fairy and provocative space. Our cabins and accessories offer attendees a wide range of possibilities that help them to unleash their emotions and incite them to fulfill all their fantasies.

Climax collection

Whisper

We reach the apogee of climax by granting inhibited couples the freedom not to oppress their screams, moans or any loud expression during a sexual act out of apprehension of "what the neighbors will say." Likewise, our soundproof cabins allow sex workers carrying out their activity in conventional residential buildings to amplify their simulations of orgasms without being detected by other residents.
